Bronze Medallion 2.5" diam.
(shown actual size)

Celebrate the history of your house

with a historic marker from the Wilton Historical Society. Wilton is home to some 300 historically significant houses, according to the 1989 Wilton Cultural Resources Survey. Houses in the survey are eligible for historic markers, which consist of a custom-painted all weather plaque with the name of the original owner and construction date of the house, along with a specially cast bronze medallion.

Historic Marker with Medallion
mounted. Painted Clear Cedar
14" w x 11.25" h

If you would like a marker for your house, please complete the front of this card or contact us at the address below.
